

Welcome to PenofinStain.com!

Penofin® (PENetrating Oil FINish) has been manufacturing some of the highest quality wood and deck stains for over 30 years. Penofin® Products were designed to penetrate properly, seal the wood, dry quickly, have a low odor, and be easily applied. Penofin® wood stains are made in America and has been used in many famous places such as Disney and Seabiscuit's Barn.

Penofin® has been an innovator in wood finish technology. Penofin® Stains can be used for:

- Exterior Wood Decks
- Exterior Wood Framed Homes
- Wood Fences
- Exotic Hardwoods such as IPE
- Marine Docks and Boats
- Log Homes
- Pressure Treated Lumber
